EDUCATION

Savitribai Phule Pune University

BSc in Computer Science - CGPA: 7.30

2023 – 2026

Shevgaon, India

Maharashtra State Board.

Higher Secondary Certificate (HSC) - 74.60%

2020 – 2021

Shevgaon, India

Maharashtra State Board.

Secondary School Certificate (SSC) - 65%

2018 – 2019

Shevgaon, India

INTERNSHIP

Samanyastra

Frontend Developer Intern

February 2025 – April 2025

Arilova, Visakhapatnam

- Gained hands-on experience in designing and building responsive, user-friendly web interfaces using HTML, CSS, JavaScript, and React.
- Contributed to real-world projects, structuring and managing frontend components effectively in an industry-level environment.
- Collaborated with team members to improve UI/UX, optimize performance, and ensure cross-browser compatibility.
- Strengthened understanding of frontend best practices, version control (Git), and project workflows from concept to deployment.

PROJECTS

Cash Exchange Application | *Java — JDBC — MySQL*

- Developed a cash exchange application in Java to convert online amounts into cash using stored exchange rates.
- Integrated the application with a MySQL database using JDBC to store currency rates, transaction records, and user exchange history.
- Implemented core features including currency conversion, rate management (add/update/delete rates), transaction logging, and exchange history retrieval.
- Applied Object-Oriented Programming principles such as classes, objects, inheritance, encapsulation, and abstraction to design a modular and maintainable codebase.
- Built input validation and exception handling to prevent invalid currency codes, negative amounts, and database connection failures, ensuring reliable transactions.
- Optimized database queries and table structure to efficiently handle frequent rate updates and high-volume transaction lookups.

TECHNICAL SKILLS

Programming Languages: Java, C, SQL

Web Technologies: HTML, CSS, JavaScript

Database: MySQL, JDBC

Tools & Platforms: Git, GitHub, VS Code, Eclipse, Netlify

Core Concepts: Object-Oriented Programming (OOP)

COURSEWORK

- Project Management
- Version Control

CERTIFICATIONS

- Brilliant Computer Bird Championship (Coding Quiz)
- Java Certification
